

Want to contribute to the Museums in Miniature Project?

The following pinned ADULT insects are always in demand!

Contact Dr. Pat Wooden (PLW161@msstate.edu) for more information and opportunities to join the project

Blattodea: Roaches and Termites

Any Found in the SE United States

Coleoptera: Beetles

Buprestidae: Jewel Beetle

Cantharidae: Soldier Beetle

Carabidae: Ground Beetle

Cerambycidae: Long-Horned Beetle

Chrysomelidae: Leaf Beetle

Cicindelidae: Tiger Beetle

Coccinellidae: Lady Bird Beetle

Cotinus nitida: Green June Beetle

Curculionidae: Weevil

Dynastes tityus: Eastern Hercules Beetle

Dermestidae: Carpet Beetle

Dytiscidae: Predacious Diving Beetle

Elateridae: Click Beetle

Geotrupidae: Dung Beetle

Gyrinidae: Whirligig Beetle

Histeridae: Clown Beetle

Hydrophilidae: Water Scavenger Beetle

Lampyridae: Firefly

Lucanidae: Stag Beetle

Mordellidae: Flower Beetle

Passalidae: Betsy Beetle

Scarabeidae: Scarab Beetle

Scolytinae: Bark Beetle

Silphinae: Carrion Beetle

Staphylinidae: Rove Beetle

Tenebrionidae: Darkling Beetle

Dermaptera: Earwigs

Any Found in the SE United States

Diptera: True Flies

Asilidae: Robber Fly

Bibionidae: Love Bug

Calliphoridae: Blow Fly/Bottle Fly

Chironomidae: Non-Biting Midge

Culicidae: Mosquito

Dolichopodidae: Long-Legged Fly

Drosophilidae: Fruit Fly

Muscidae: House Fly

Sarcophagidae: Flesh Fly

Stratiomyidae: Soldier Fly

Syrphidae: Hover Fly

Tabanidae: Horse/Deer Fly

Tachinidae: Parasitic Fly

Tipulidae; Crane Fly

Ulidiidae: Picture Winged Fly

Hemiptera: True Bugs

Acanaloniidae: Planthopper

Arilus cristatus: Wheel Bug

Belostomatidae: Giant Water Bug

Berytidae: Stilt Bug

Cercopidae: Spittlebug, Froghopper

Cicadidae: Cicada

Cicadellidae: Leafhopper

Coreidae: Leaf-Footed Bug

Corixidae: Water Boatman

Flatidae: Planthopper

Gelastocoridae: Toad Bug

Gerridae: Water Strider

Issidae: Hopper

Halyomorpha halys: Brown Marmorated
Stink Bug

Lygaeidae: Milkweed Bug

Membracidae: Treehopper

Naucoridae: Saucer Bug

Nepidae: Water Scorpion

Notonectidae: Backswimmer

Pentatomidae: Stink Bug

Plataspidae: Kudzu Bug

Reduviidae: Assassin Bug

Veliidae: Broad-Shouldered Strider

Hymenoptera: Bees, Ants, and Wasps

Apis mellifera: Western Honeybee

Apidae: Bee

Chrysididae: Cuckoo Wasp

Halictidae: Sweat Bee

Ichneumonidae: Ichneumon Wasp

Megachilidae: Mason Bee

Mutillidae: Velvet Ant

Polistinae: Paper Wasp

Pompilidae: Spider Wasp

Scoliidae: Scoliid Wasp

Sphecidae: Thread-Waisted Wasp

Sphecius sp.: Giant Cicada Killer

Vespa crabro: European Hornet

Vespidae: Wasp

Lepidoptera: Butterflies and Moths

Attevidae: Ermine Moth

Danaus Plexippus: Monarch Butterfly

Geometridae: Inch Worm/Geometer Moth

Hesperiidae: Skipper

Lycaenidae: Blue, Hairstreak

Noctouidea: Owlet Moth

Nymphalidae: Brush-Footed Butterfly

Papilio glaucus: Tiger Swallowtail

Papilio Troilus: Spicebush Swallowtail

Pieridae: Sulfur, Cabbage

Saturniidae: Silk Moth

Sphingidae: Hawk Moth

Mantodea: Praying Mantids

Stagmomantis carolina: Carolina Mantis

Megaloptera: Alderflies, Dobsonflies

Any Found in the SE United States

Neuroptera: Lacewings

Chrysopidae: Green Lacewing

Odonata: Dragonflies and Damselflies

Any found in the SE United States

Orthoptera: Grasshoppers and Kin

Acrididae: Short-Horned Grasshopper

Gryllidae: Cricket

Gryllotalpidae: Mole Cricket

Raphidophoridae: Camel Cricket

Romaleidae: Lubber Grasshopper

Tettigoniidae: Katydid

Phasmatodea: Stick and Leaf Insects

Any Found in the SE United States

Plecoptera: Stoneflies

Any Found in the SE United States

Trichoptera: Caddisflies

Any Found in the SE United States
